

Mild Filibuster Occupies House

Rough Passage For Bill On Control Extension Seen

OTTAWA, March 17.—(CP)—A filibuster-type debate against the government's method of extending wartime controls has blossomed in the commons and promises a rough and stormy passage for the enabling legislation.

The debate sprang into full bloom yesterday from the Progressive Conservative benches, with George Drew, Progressive Conservative leader, hammering again at the procedural steps being taken and repeating his request that the government introduce separate bills defining each control.

ONE MAIN BILL

The opposition fight centres around the government's proposal to bring in one main bill to give life for another year to 10 main orders-in-council authorizing controls on timber, steel, domestic rentals and the prices of bread, sugar, butter and other foods.

The legislation still is in the resolution stage and the Progressive Conservatives yesterday carried their fight, begun Monday, to the point of forcing a division. The division was on the government motion to go into committee on the resolution preliminary to introducing the bill.

Once in committee, the opposition leader took up the fight. As the debate mounted, Prime Minister Mackenzie King noted that he will seek adoption today of a motion to have the chamber all morning and Saturday to ensure passage of the legislation before the month-end. The control orders will expire if extension is not approved by March 22.

JUDGE RULES HAIR LIKE WIG IS POOR

BIRMINGHAM, England, March 17.—(Reuters)—A 41-year-old woman, whose hair was said to have "stood up" after a permanent wave, today was awarded £4,300 (£1,200 damages) against a Birmingham hairdresser.

The woman's sister told the judge, Mr. Commissioner Roberts, that her sister's hair "was unusual, in the same way as your wig."

"I cannot help it—I have to wear this thing," replied the judge.

Son Stabs Father, Then Suicides

SYDNEY, N.S., March 17.—(CP)—Fred H. Hamby, 35, of Montreal, was the shrouded victim by plunging the blade into his heart, police reported.

Frank Hamby, 35, of Montreal, was taken to hospital with knife wounds in the stomach. He was expected to undergo an emergency operation later last night.

Police said, Frank Hamby and his wife, Edith, were to be divorced and the action, this morning, the probable motive for the attempted murder and suicide.

TWO MOUTHS OF CALF EAT TOGETHER

WINDSOR MILLS, Que., March 17.—(CP)—A "two mouth" calf has been born on the farm of Howard Osborne of this eastern township town.

Now two weeks old, the pure-bred Hereford has two complete faces, which are separated as far as the throat where they join into a common digestive tract.

The calf has four eyes—two on each side of the head and one on either side, and two mouths, both of which feed at the same time.

Apart from the two faces, the calf, said a veterinarian, is normal organically and is expected to live.

Ratepayers Favor One Room Schools

WETASKIWIN, March 17.—Ratepayers of the Wetaskiwin School Division, No. 30 went on record Tuesday afternoon as favoring a policy of centralization of schools.

It couldn't be termed a decisive vote, however, because though there were between 300 and 350 persons present when the meeting was called to order by Henry Young, who was elected chairman. Taken by a show of hands, the chairman announced the vote was 28 to 45 in favor of the one room schools.

FULLY DISCUSSED

There were plenty of advocates on both sides. For the centralized school it was claimed fewer teachers were required, better standards of education could be maintained and students could be carried on to higher grades than was possible in the one room school.

Opponents were fearful of increasing costs in the face of perhaps declining revenues and the point was made that eight one room schools could be built for the approximate cost of one centralized school.

Russell A. Stevens, secretary-treasurer of the division, read the auditors statement with explanatory remarks, whereupon they adjourned.

L. B. Yule, superintendent of schools, gave a comprehensive overview picture of conditions in the division. In 1908, he stated, there were 38 class rooms and of these 26 were under supervision.

Publicity broader owner, the Battalions Father was completely destroyed by fire Sunday night. Estimated loss amounted to \$10,000.

Four hundred three-week-old chicks and modern equipment were also destroyed. Cause of the fire is unknown, but it is believed that an overheated stove was the cause.

**400 CHICKS
LOST IN FIRE**

MUNDARE, March 17.—A poultry brooder owned by the Battalions Father was completely destroyed by fire Sunday night. Estimated loss amounted to \$10,000.

HIGHER GRANTS URGED

A. K. Anderson, secretary of the Alberta School Trustees Association, was guest speaker.

He explained there were only two sources from which the money for education could come. One was by taxation and the other in the form of government grants.

In 1907 the total cost of education in Alberta, speaker said, not including the university or the technical school in Calgary, was \$1,754,400. Of this the government contributed in grants \$440,000.

Of the cost per pupil the government paid \$20 and the taxpayer \$80. Of the total expenditure \$20,529,536 was for teachers' salaries. There were 400 schools in the province, he said, without qualified teachers.

SUGGESTS "EARMARKING"

Speaking of the government's responsibility, Mr. Anderson mentioned his buoyant revenues of nearly \$60,000,000. He said the sales of school lands had produced \$10,000,000 of which the interest was approximately \$500,000. This, at least, he maintained should be earmarked for the schools, but instead it was swallowed up in the general revenues of the province.

Herman Stroehlein, chairman of the School Trustees Association, explained that one great advantage in holding a general ratepayers meeting at this time of the year was that the auditors statement for the previous year was completed and ratepayers could thus be given a clear-cut statement showing their financial position.

Mannville High Sponsors Carnival

MANDEVILLE, March 17.—Annual carnival sponsored by the Mannville high school was finally held, due to a lack of a new feature of the carnival was the dog derby in which three "safties" were entered.

Several local football games followed, between the intermediate boys and the high school girls and between the single men and the married men.

These were followed by skating formations, conducted by Mrs. H. Dehrend. The large crowd enjoyed the formation skating and the figure skating by Lutz and Betty Hordford of Vermilion.

A costume parade featured a great variety of excellent costumes, which were judged in two classes, comic and fancy, and three age groups. Prizes for costumes were awarded, whereupon they adjourned.

**Jack May Heads
Sylvan Chamber**

SILVAN LAKE, March 17.—A meeting of the Sylvan Lake Chamber of Commerce was attended by district farmers and representatives of the Canadian Association. Collections for 1908 totalled \$27,352.

The Chamber will institute a new and better system for this year. President this year is Jack May, with Tom Gibson vice-president.

Secretary is Warren Dunford and treasurer James Meyers. Executive members are J. Utstein and C. R. Pugh.

One ton of newspaper provided 80,000 sheets of newspaper size.

SEXSMITH LAUNCHES BEAUTIFYING SCHEME

SEXSMITH, March 17.—Program of town beautification is being planned jointly by the Board of Trade and the village council, with C. R. Gathercole as convener.

Two hundred elm trees were purchased by the village last fall and "heeled in" for the winter. These will be set out to replace the Russian and Northwest poplars which have died in recent years.

The Board of Trade will also sponsor the spring clean-up, paint-up campaign, and is planning a demonstration of house painting. A garden center will also be sponsored by the Board of Trade town beautification committee.

Herman Stroehlein, chairman of the School Trustees Association, explained that one great advantage in holding a general ratepayers meeting at this time of the year was that the auditors statement for the previous year was completed and ratepayers could thus be given a clear-cut statement showing their financial position.

Westlock Flying Club Members Start Solos

WESTLOCK, March 17.—Three members of the Westlock Flying Club have taken solo flights and all are still happy, hearty and even more delighted with flying than ever before. The trio are Albert Jones, of Clyde, Ray Nelson, of Clyde, and Bill Glover, of Westlock, home town product.

These three are first to solo since lessons began last fall when the club was organized. The three more, Dr. Whissell and Messrs. Fowler and Leake are slated to take up this week, while others will take their place in the succession of pilots as training advances.

Meanwhile, much activity has been taking place at the landing strip at the George Beck farm. Air Schumacher, whose plane was used for training at the beginning of the course, flew in last week on his way north to a job at Edmonton, who heard of the government. And M. Keith, of Edmonton, is expected to arrive in a few days.

Prospects that the strip will be even busier seemed bright as the result of a call by an Edmonton Flying Club flyer, who heard of the landing strip here last week for the first time.

The Edmonton group was anxious to find a strip close to the city while still being out of the way of the landing field is ideally situated for proximity and convenience.

At Winterburn
Re-Organizes**

WINTERBURN, March 17.—Winterburn Junior Menzies Barley Club held its reorganization meeting, Winterburn Hall, Monday. Praise money to the amount of \$12.00, which was donated, were paid to the 18 members for their efforts in preparing seed samples for show. Pictures were shown by the club and Imperial Oil farm services.

A silver cup for the 1908 season of best sample at the club show was won by Harvey Wild and presented on behalf of the PUA Winterburn Local, by L. Norman, dist. secretary.

The newly elected executive consisted of president, Jack Ziegler, vice-president, David Goshel; secretary, John La Perle, club leader, Alex Ziegler.

Club members, with the assistance of lady members of their families, served refreshments to members and visitors.

Oliver La Perle past president presided. H. J. Whitford, district agriculturalist was in charge of reorganization.

Rennick Rink Wins Challenge

VETERAN, March 17.—Rink skipper M. Rennick won the grand challenge in the high school bonspiel with M. McDonald runner-up. Third prize went to M. Rennick's rink and fourth to W. Rink.

Critics event was won by J. Halden, with L. McCulloch second. D. Olson third and M. Campbell fourth.

High school students of Veteran were entertained by Coronation skates Friday.

Fire Destroys Hazel Bluff Home

WESTLOCK, March 17.—Fire destroyed the home of Mr. and Mrs. Ernest Dinwiddie, at their Hazel Bluff farm, near Westlock, on Monday night.

The building and within a very few minutes after it was discovered completely demolished the home.

Mr. and Mrs. Dinwiddie, who recently came here from the coast, had just purchased the farm following Mr. Dinwiddie's war service with the Merchant Marine. All possessions of the couple were lost.

During winter months some Canadian Indians are said to graze on the land by means of a device called a jiggar.

Buy Libby's Now,
while Still Available

For the past four years, Libby's "Gentle Press" Tomato Juice has been in short supply, with the result that it was off the market for weeks and months before harvest time. Right now, Libby's is still available. But because stocks are diminishing very fast, we urge you to buy now—and buy enough to last until the 1942 tomato season.

Libby's have the light touch with tomatoes—the "Gentle Press"—which gives Libby's its finer flavor. The blushing, sun-ripened tomatoes get just a "gentle squeeze" so they yield up their pure and sweetest juices with bitterness. "Gentle Pressing" keeps too, the full count of vitamins A and C and the vitamins that are so important to your regular daily quota. And what more delicious way than with a daily glassful of Libby's "Gentle Press" Tomato Juice?

Order in quantity from your grocer NOW.

DOUBLE YOUR MONEY BACK
If you don't agree that Libby's "Gentle Press" Tomato Juice is the best, return your money.

Ottawa Reports Passports Of Export Babies Checked

OTTAWA, March 17.—(CP)—issuance of passports for the adoption of babies outside Canada is checked by the Dominion with the provinces concerned, External Affairs Minister Pearson said yesterday in the commons.

He was replying to questions asked by Mrs. Gladys Strum (CP, Qu'Appelle) as to what the Federal government proposes to do concerning babies taken to the United States for adoption from New Brunswick and Alberta.

PROVINCIAL MATTER

The minister said jurisdiction in child welfare matters, particularly adoption, rests with the provinces themselves. His department was concerned only with the issuance of passports.

The department tried to ensure that all requirements of provincial laws were met before passports were issued.

"Officials of the department continue to co-operate with provincial authorities in the issuance of passports in this category," Mr. Pearson said.

"Whenever there appears reason to question the propriety of issuing a passport on behalf of a child who is leaving the country under guardianship arrangement, the passport is not issued until the matter has been clarified in consultation with the provincial authorities concerned."

Nova Scotia To End Traffic

HALIFAX, March 17.—(CP)—a bill designed to prevent trafficking in babies between Nova Scotia and the United States was given second reading in the provincial legislature yesterday.

Introduced by Attorney-General L. D. Currie, the bill provides that the director of child welfare must

investigate and approve the home to which adopted children are being sent before the child leaves the province.

"Members will recall the rather unsavory incident in trafficking in babies some years ago," Mr. Currie said as he explained the bill. Court action has been taken at that time but there was evidence this practice was continuing "in a lower degree."

"The children were being taken out of the province and we couldn't do anything about it. In one or two instances the babies were being sold like . . . chattels."

"Under the new bill child being adopted would be permitted to be taken out of the province without an order by the director of child welfare."

Milnet Institute Meets Regularly

MILNET, March 17.—March meeting of the Milnet W. J. was held at the home of Mrs. B. Grover, March 16, with 15 ladies in attendance.

Mrs. W. C. Dowdell gave a splendid paper on citizenship. A 20 lb. food parcel was packed and sent to Britain and \$10.00 donation was given to the Red Cross.

A bingo party was planned for March 18 at the West Liberty School, in aid of A.W.I. Cancer Fund. The next meeting will be held on April 24 at the home of Mrs. R. Hoskins.

Other members present were Mrs. George Forchuk, Mrs. Harry Kinn, Mrs. Fred Hiss, Mrs. Joe Yaremchuk, Mrs. Nick P. Daviduk, and Mrs. John P. Hiss.

Immediate function for the men's and women's sections combined to be held in the ROOF hall at Inverness on March 22. The program will include P.A. speakers a free show and lunch.

Meetings are scheduled to take place on the first Saturday of each month.

SPORT

By STAN O'MOHER, Sports Editor

Calm Before the Storm

REGINA.—A calm before the storm atmosphere seemed to have laid hands on Regina about the time Flyers checked in here last night. But if the city's sporting element was outwardly calm about the impending Flyers-Cape series there were signs, nevertheless, that the Saskatchewan capital figured to do a spot of burning starting about tonight.

Hotel spots was practically non-existent, even more so than usual.

Reports persisted that a terrific scramble would ensue for whatever available tickets go on sale later this morning. And to top it off Cap supporters—at least those with a yen to lay it on their favorites—were around and about looking for Flyer money.

If the cause for any pain Caps have been installed 7-5 favorites to cut-walk the opener, insofar as the series is concerned even the professional gamblers, a pretty cold blooded group of operators where money goes, into the beginning to the tune of 39-10.

So with any co-operation from the Edmonton end this definitely shapes up as a betting series.

Worth a Saubruk or Two

There's some good reason for believing that under the circumstances Flyers would be worth the risk of a saubruk or two. First off Frank Kurcio's crew just happens to have won the Allan cup last season. In other words there need be no doubting Flyers' class, considering that the personnel of the squad hasn't undergone any drastic change since last season.

Compared to any sport, generally hand mightily tough when it comes to an attempt to separate them from their laurels.

And while it must be rated the equal, or better than, anything the Albertans ran up against in their cup hunt of a year ago, there's never-the-less no reason for Flyers followers to toss off any fluff.

Over the regular season the teams split 12 games right up the middle. And as for the Queen City Gardens, home ice of the Capitals, presenting any special kind of hazard, it might be remembered that Flyers knocked out the doughy Caps three times on Gardens ice this term.

Incidentally, Currie is not one to worry about the so-called home ice edge. As he sees it "if the refereeing is good it really doesn't make much difference where you play."

Now if he can just sell this point-of-view to those of his workmen who start to misbehave on a cylinder or two in the absence of home cooking so much the better.

Ehrle in Dark About Selling Team

If Dick Irvin, Montreal Canadiens coach, plans to buy the Caps before another season rolls round Cliff Ehrle, current owner, knows nothing about it.

"I don't know where that story started," Ehrle insisted. "But in any event there's nothing to it." Then he added quizzically: "Still, I wish he would." Ehrle, as is well known, wouldn't mind moving to Calgary.

Both Don Young, Flyers' coach, and Cliff Gurnea, who were listed as doubtful starters on the eve of battle, in this regard chances appear brighter in the case of the Flyer bouncer than in that of Ehrle. Which seems to be not calculated to cheer up a group of us who are crying foul among the champions. But whether the hefty Young gets to start it will be a wonderful March 17 for the likes of Frank O'Currie and Billy Maher if Flyers top the homesters in the bid battle.

In fact so keen is coach O'Currie about celebrating St. Patrick's Day in a manner befitting a star of Emerald Isle it was reported that he planned to scare away the bad luck banshees by handing the following starting line up to the officials.

Keith O'Woodall, goal; Doug McLane and Colin O'Kallahan, def.; Mike McLeod, center; Bob O'Kallahan, left wing; Bill Maher, right-wing.

Scribes Name John L. As Top Irish Athlete

By Timothy Moriarty

NEW YORK, March 17.—(UPI)—It has been chosen as half a century since John L. Sullivan was the last undisputed out of all common-sense and out of the ring, but still is hailed this St. Patrick's Day as the greatest Irish athlete of all time.

HERGESHEIMER HITS 250 GOAL MARK IN NHL

PHILADELPHIA, March 17.—(UPI)—The Philadelphia Flyers scored their third straight win at Springfield in games clinched an American Hockey League playoff series by beating Philadelphia 4-1 in the second game.

Other Springfield marksmen were Mike Narducci, Rene Trudel, Armand Lemelin, and Curick and Vern Kaiser. Steve Wozniak added two and Larry Robinson got one for Rochester.

Ben Wahman of the Salt Lake Tribune went into the game with a 15-foot putt with \$5,000 riding on the shot that to sink in the squared circle with an over-kill shot.

Finally, Jim (Gard) of the Orleans town picked Sullivan for the famous race rider. Said Jim: "I read his life story through a prism and saw him as a champion athlete."

So much for the Sullivan devotees. The race of the past was more than just a prize. It was a life of a champion.

And the pros.

Mike Gavey, New York Herald Tribune, said: "One of the great athletes to stand when you think of Irishmen in sports and in life."

William J. (Bill) Maher, Jr., said: "He was a great man and was a great athlete."

JACOBS TO SELL OUT TO JOE LOUIS GROUP?

NEW YORK, March 17.—(UPI)—Mike Jacobs will sell out to Joe Louis Group boxing interests to the new Joe Louis organization, editor Stanley Woodward says in the April issue of Sports Illustrated magazine.

Woodward says, "The Louis-Norris-Wirtz combination will take over the boxing business in this country. Mike Jacobs will sell out to the combination, which will control Madison Square Garden, the Polo Grounds, the Yankee Stadium, the Chicago Stadium, and the Detroit Olympia."

Jacobs has losses on the three New York sites that run to January 1, 1961. He is rather Mrs. Jacobs who is running the business these days, is reported as having the syndicate \$100,000 for those rights.

Harry Markson, Jacobs' general manager, said "I know nothing about any such deal."

Some of the sales have been made. Jacobs has sold the rights to the three New York sites to the Joe Louis Group. The group has also sold the rights to the three New York sites to the Joe Louis Group.

Hansen-Lawrence In Bowling Lead

The Henry Hansen-Harvey Lawrence duo gave doubletrumpers followed to shoot at last night as firing continued in the Edmonton Five Pin Bowling association's annual tournament at the Ree Ayles.

Mike King of the leaders who were "head-on" in the first round, Hansen and Lawrence could do no worse at the second round as they were upped the mark in the A double competition.

And they put it up high, possibly out of reach rolling a 1715 total. Hansen's score was 1715 and Lawrence's was 1715.

At that they averaged close to 300 a game, which is a massive total. Hansen and Lawrence were upped the mark in the A double competition.

Five other marks were written into the books at grade five last evening. Arne Hodgson took over the lead in the B series, rolling an 807 clip. He replaced Tony Tippin, whose 880 was top in the B series.

S. Paulsen topped with C. Bigland to hit the C doubles 1215. The B series was topped by 1,126 while the V. Foster-Gregg Miller rolled a 1,126 in the B series.

Hawks Rise Up To Shade Bruins 4-3

Rangers Doomed to Cellar By Losing to Wings 6-2

MONTREAL, March 17.—The cellar-louder slammed on New York Rangers in the National Hockey league last night, but the waning NHL still left the exact order of playoff contenders in doubt.

Montreal's second round first place, played the New York Rangers 6-2 to end any lingering question of where Bruins would finish.

Three points behind Boston and four ahead of Toronto Maple Leafs, Montreal's victory would leave the latter team fourth in the league.

Curried Eggs and Rice Make A Delicious Dish

All the "buddies" of the world have become staunch friends of the homemaker. When meat soars, there are still eggs that turn out a quick, easy and reasonable dish. These delicious curried eggs, packed with the nutritional value of a dish, are a real winner.

When you put up with a fluffy rice, cooked until each grain has a soft, tender companion fluffy grains, never a complaint will be uttered.

There's something else about this dish that's interesting too, and even children have a much commoner, or had you thought about it? Mrs. Hen and Mrs. Cow usually pick and munch about all day, giving their all toward feeding their young. By day and still they live to do it all over again tomorrow. This dish contains rice to satiate and eggs, a fluffy mound of rice and a sauce.

BRIDGE

Be Slow in Playing To the First Trick

By William C. McKenney

At youngsters we were taught to count 30 before saying anything we might be sorry for. Here is a good rule for every bridge player to follow. It is to count 30 before saying anything.

Dessert Course Fills Hole in Lenten Menu

Pies, Cookies, Make Up For Meat
Interests in Lenten Season Meals

By Jane Scott

When we need meat to pass the meat course in Lenten season, neither homemaker must substitute the meat with distracting goodies of another sort. And it's sweet for the sweet in most families. Tasty pies, cookies, puddings, cakes will augment a meagre menu enough for most of us.
